Applicant's would like to thank Examiner Puttlitz for the very helpful and courteous discussion of 03 March 2009.

During the discussion, it is believed agreement was reached that a timely filed Terminal Disclaimer to U.S. Application Serial No. 10/534,075 would assist the Examiner in concluding that the present Application is in condition for Allowance. Applicants submit herewith the appropriate Terminal Disclaimer.

There being no further issues, it is believed that the application is in condition for allowance and early notice to this effect is earnestly solicited.

Respectfully submitted,
